Montreal Neurological Institute and Hospital

The Cognition and Circuits Lecture Series

(4 pm de Grandpré Communications Centre)

DATE: Wednesday, May 16th, 2018

LECTURE TITLE:

“Sensorimotor associations in music learning”

GUEST SPEAKER:

Dr. Peter Q. Pfordresher

Professor of Psychology, University at Buffalo, SUNY

Fulbright Canada Research Chair in

Brain Language and Music, McGill University (Spring 2018)

SHORT ABSTRACT: The talk will focus on how musical training shapes the way we associate action planning with auditory feedback, as well as possible constraints on the sort of associations that may be formed prior to formal training
