

## Position Available

<b>Competition #:</b>	<b>A-593</b>
<b>Position:</b>	Permanent Part Time (.5 FTE) Psychologist
<b>Starting Date:</b>	Between July 1 and September 4, 2015
<b>FTE Salary Range:</b>	\$66,354 – \$90,484/annually

### Program Summary:

We are seeking Psychology staff for a part-time (0.5 FTE) position. The successful candidate will be an integral member of a multi-disciplinary treatment team.

Primary duties are to provide focused, comprehensive, and risk assessments, as well as consultation for children and youth

Other duties include providing therapy and counselling services to clients and professional supervision for non-registered practitioners, and conducting research and evaluation activities

### Qualifications/Training/Experience

- A Master's level degree in Psychology is required
- Registered or eligibility for registration with the College of Psychologists of Ontario is required

### Abilities:

- Skills to function as part of a multi-disciplinary team are required
- Broad knowledge base of therapeutic modalities with children is required

### Desirable Qualifications:

- A Ph.D. from an accredited program in Clinical Psychology is preferred
- Graduate training in child and adolescent assessment and experience with child and adolescent emotional and behavioural problems in a variety of settings, including residential treatment, are preferred

A Vulnerable Persons Screening is required by the successful candidate
