

## DEPARTMENT OF PSYCHOLOGY, UNIVERSITY OF MANITOBA CLINICAL PSYCHOLOGY – POSITION # 19411

The Department of Psychology, Faculty of Arts at the University of Manitoba invites applications for a full-time tenure-track appointment at the rank of Assistant professor in our CPA accredited Clinical Psychology Training Program. Candidates should have completed a Ph.D. from an accredited clinical psychology program with an approved internship, and should be registered or eligible for registration as a Clinical Psychologist in the Province of Manitoba. The successful candidate will be expected to obtain registration in Manitoba. Applicants are expected to have demonstrated excellence in research and success in teaching, broadly defined. Responsibilities will include maintaining a productive research program, mentoring and advising graduate students in research, undergraduate and graduate teaching, and clinical supervision. Area of research specialization is open.

The Department of Psychology is the largest academic unit in the Faculty of Arts at the University of Manitoba. We have 38 faculty members, 12 support staff members, and over 130 graduate students. We boast approximately 37,000 square feet of space for offices, laboratories, and classrooms. We are a research-intensive department and research facilities are housed in over 100 dedicated research rooms. The clinical program also operates the Psychological Service Centre (see link below) that serves as a training centre for students and provides free psychological services to the Winnipeg community.

The University of Manitoba is the province's largest, most comprehensive post-secondary educational institution. More than 28,000 students from all over the world currently study in a wide range of programs in the liberal arts and sciences, the creative arts, and the professions. Research is a priority at the University of Manitoba and the success of its faculty in securing substantial research support in national and international competitions attests to this fact.

Winnipeg offers a vibrant arts community, affordable housing, diverse cultural institutions, festivals, and entertainment possibilities. Residents of Winnipeg can enjoy a multitude of parks and trails. A short trip outside of Winnipeg reveals the geographical diversity of Manitoba, with ample opportunities for many leisure activities (see [www.tourismwinnipeg.com](http://www.tourismwinnipeg.com)).

The appointment may begin on or after July 1, 2016. The starting salary will reflect the qualifications and experience of the chosen candidate. The University of Manitoba encourages applications from qualified applicants, including members of visible minorities, Aboriginal peoples, persons with disabilities, people of all sexual orientations and genders, and others who may contribute to further diversification of the University. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

Applications for this position must include a letter of application (including a statement of teaching and research philosophies, and a description of clinical orientation and expertise), a curriculum vitae, and a sample of published research. As well, three confidential letters of reference must be received directly from the applicant's referees. Candidates should also include evidence of effective teaching, such as evaluations of supervision or classroom teaching.

Applications and letters of reference should be sent to Dr. Dan Bailis, Head, Department of Psychology, University of Manitoba, P405 Duff Roblin Building, 190 Dysart Road, Winnipeg, Manitoba, R3T 2N2. Inquiries by telephone (204-474-6378) or Email (Dan.Bailis@umanitoba.ca) are welcome.

Application materials, including letters of reference, will be handled in accordance with the *Freedom of Information and Protection of Privacy Act* (Province of Manitoba). Review of applications will begin on October 1 and will continue until the position is filled. Please note that application materials will be provided to participating members of the search process.
